Marcia!

How incredible to fianlly hear from you!

(b) (6) (b) (6)(b) (6)(

My son Eli and I had a 3 hour meeting with Dave just today at his office (a few floors below RW) to coordinate our efforts and tasks in moving forward on the case. NOt much to report really -- my son and I do our separate depositions in a month, and we're in the process of subpoening Piper and others to sit for depositions. Dave did say that he would contact you at some point today in the meeting .. can't recall at this point (without consulting notes) on what it was. RW is fighting ANY pay outs tooth and nail -- though they up their settlement offer to 40K. (quite extravagantly generous . . don't you think?).

I just got back from a glorious 9 days alone in Los Angeles. Had a WONderful time buzzing around town. Went to the Getty .. a lot of Griffith Park hiking time! I do like it there -- though the traffic is now beyond beyond beyond absurd. MUCH worse than a few years ago even by local opinion.

Perhaps I'll endeavor to ring you up this weekend? Would that be ok or should I wait?

I'm glad to hear that
